

Dear FCC

I hope that the FCC will retain the current media ownership rules.

I believe further consolidation of the media in the name of "deregulation" must be stopped.

The media companies have failed in their public trust to provide unbiased information about most crucial issues, most notably the recent coverage of the war in Iraq.

As an American concerned about our democracy, I call on you to challenge the media conglomerates, to open the broadcast spectrum to a diverse range of journalists and opinions, and to reinstate the Fairness Doctrine.

Oppose media deregulation.

Thank you, Aletha Rodgers, Los Angeles, CA
